## Arrival & Departure

The arrival of participants in Japan is schedule for Sunday October 29<sup>th</sup> and departure for Monday November 6<sup>th</sup>.

All the participants have to arrive on October 29 and to leave in the morning on November 6.

## General Schedule of the event

Please refer to the document called “General Schedule Proposal”

## Transport

For your arrival and departure from Japan, organization will provide transport from and to the airport. You can arrive in Haneda (HND) which is around 30 minutes from the National Olympic Memorial Youth Center or in Narita (NRT) which is around 60 minutes away.

The organization will soon provide more information about the costs and process to follow.

Participants will be travelling by public transport from the National Olympic Memorial Youth Center to and from the competition site.

Due to the heavy traffic during rush hours, it will not be possible for participants to travel with large bags during rush hours (from 6:30 to 10:00 and from 16:00 to 19:00). Participants will have to organize their transports accordingly. The itinerary is approximately 40 to 45 minutes. The organization will soon provide more information about the costs and process to follow.

It is possible to travel by taxi, the cost of the run is between 60\$ and 80\$ and takes around 40 minutes.

Renting a car is also possible but expensive and also remember that parking is expensive as well as the fact that in Japan, people drive on the left side of the road.

On Monday October 30<sup>th</sup>, there is a mandatory promotional activity for participants (players and coaching staff). Each delegation will be brought to a school and sent to different classes in order to meet with the students of the classes. Then participants will be making a demonstration in the gymnasium and play with the students.

Each delegation will be brought to a different school in the afternoon

Pictures will be taken and autographs will be signed. The different schools will have to build a pedagogical program on the country from which the participants are from and learn the language to ask questions.

School teachers and students would also like to learn some traditional games in their country.
